

Pet Policy

Well behaved dogs and cats - We love and welcome them! We have a few basic rules and a nightly charge of \$10.00 per pet.

- Your pet is to be leashed when outside. The driveway, surrounding forest and beach are all off-leash.
- Your pet cannot be left unattended in your cabin.
- Pets are not allowed on beds or furniture. Microscopic pet dander can cause irritation to other guests with allergies.
- If your dog is a 'barker', please be considerate of other guests and never leave them to disturb others.
- Any pet damages will be added to your bill. You are liable for injury or damages to other guests and their property.
- Pick up after your pet immediately.
- Please ensure your dog does not harass wildlife on or off the property.
